Dear business partners,

We offer you cooperation by means of advertising and publishing of the articles in Plynár - vodár - kúrenár + klimatizácia magazine, which is published for the professionals in these spheres. This magazine is distributed for free to the professionals – the companies and small enterprises, but also to private persons who work in this sphere and are buyers of the products or services you offer. The content of the magazine covers the news and trends as well as independent tests and technical descriptions of the existing materials and products that are on the market. Producers, importers and sellers could present themselves to the public or offer their products for the firms in Slovak and Czech republic.
